

● Freight terminal ● Marshalling large

Cœur d'Europe is served by France's largest marshalling yard!
France's leading rail region, the Nord, Pas-de-Calais and Picardy have an extraordinary rail network with many freight terminals and marshalling yards.

Somain is only one of 8 towns in France to have a marshalling yard!

Cœur d'Europe is located to the right of the A21 motorway, at the foot of the Somain motorway interchange.

Connected by the A21 motorway, Cœur d'Europe has close by links to the:

- A1 (E17) between Paris and Lille (then Dunkerque by the A25).
- A2 (E19) for the Brussels area via the A1 (via Valenciennes).
- A23 for a direct connection with Valenciennes and Lille.
- A26 between Troyes and Calais.

Links

- A1(E17) : Paris / Lille
- A2 (E19) : Comblès / Mons
- A21 : Liévin / Denain
- A23 : Valenciennes / Lille
- A25 : Lille / Dunkerque
- A26 : Troyes / Calais

Distances

- Somain / Douai : 13 miles
- Somain / Valenciennes : 16 miles
- Somain / Cambrai : 21 miles
- Somain / Arras : 33 miles
- Somain / Lille : 34 miles

Cœur d'Europe

A bi-modal logistics platform for storing standard and hazardous products
